RISTO & PIZZA

DELL'ETNA

est • 1993

Il Ristorante e Pizzeria Dell'Etna, situato nella parte sud dell'Isola di Malta costituisce oggi uno dei pochi e particolarmente rinomati ristoranti dove piatti tradizionali della cucina Siciliana ed Italiana possono essere gustati assieme ad altre ricette nuove ed innovative per soddisfare i palati più esigenti.

La pizza che si gusta al Ristorante Dell'Etna è inconfondibile dal gusto e dall'odore che il tradizionale forno a legna le dona.

L'impasto per la pizza è preparato con la dose di famiglia che rende la pizza morbida e genuina come il pane.

Il locale è stato inaugurato per la sua prima apertura il 2 Dicembre 1993, dove la famiglia Mirabile, arrivata dalla Sicilia sei mesi prima, ha piantato radici e ne ha fatto una oasi di gusti genuini e ha creato un'atmosfera familiare ed accogliente.

Dopo che Filippo è venuto a mancare nel Settembre 2014, oggi i figli Alfio e Giovanna gestiscono con passione e fedeltà alla tradizione per la gioia di clienti abituali e nuovi.

Grazie per averci scelto, vi ricordiamo che siamo aperti dal Martedì alla Domenica, saremo anche felici di servirvi per occasioni speciali e mangiate di gruppo.
